

Although PowerSchool tells me about your basic contact information, it does not give me some information that pertains to your family. For example, it does not tell me if you are a step parent, grandparent, foster parent, etc, and if so, what your name is. It is awkward when I ask for Mr. Smith and it is actually Mr. Anderson when this person is a stepfather. PowerSchool also does not tell me the preferred way you would like me to get ahold of you during the school day, especially since many of you are at work during school hours. Therefore, I would like to get more detail about how to contact you. I am especially interested in e-mail addresses, so I can send you a notification of upcoming quizzes, tests, or other large projects that you might want to be aware of.

If you have any questions about any of the things I am asking for, please feel free to contact me at the school, 436-3178 or alarson@minidokaschools.org. Thank you. Mr. Larson

Please fill it out in the order of preference in me contacting the student's parents\guardians.
