## Ski Resorts

For Immediate Release

The *Idaho Ski Association* would like to report that this year’s ski season has been a huge success. Pomerelle Ski Resort, located in **Albion, Idaho**, has once again proven to be the snow capital of Idaho in terms of quantity of snow received for the season.

Pomerelle Facts. Pomerelle has 24 expertly groomed slopes, 2 terrain parks, and a vertical drop of 1,000 feet serviced by 2 triple chair lifts, and the 450’ Magic Carpet beginners lift. They are one of the few **ski resorts** to offer night skiing. Although they are not the largest resort in Idaho, the students at *East Minico* think they are the best! Go ski them!
